President's Welcome

HI HO, IT'S CALLINGTON SHOW!

Yes, as President I am enthused to encourage and welcome you to the 18th Callington Show.

Why am I enthused? Because over many years the Show has built up a reputation as a high quality country show and the 2019 Show should be no exception.

The main attraction this year is a Monster Patrol Slam over four cars. Back again are the monster truck rides, as well as native animals and birds, farm animals, Rev It Up car racing simulator, Olive Oil Cake Challenge and sheep races. New attractions are the Sci-Tech Spectacular and the motor bike shed.

Of course the hall and marquee promise a huge display of art, photography, flowers, produce, baking, lego etc. The grain tent and wool tent will again carry many and varied exhibits.

Radio personality, Peter Goers will open the Show. In the past he has had high praise for the Show.

Support for the Show comes from our valued sponsors, exhibitors, stall holders and entertainers and of course our many volunteers. Most important are you, our patrons, who attend and enjoy our Show. Please tell and invite your friends.
