# HILLGROVE RESOURCES

## Proud Major Sponsor of the 2017 Callington Show

Hillgrove Resources is proud to be a major sponsor of the Callington A&H Show. We are mindful that we are working alongside other local landowners and as part of a local community. It is our greatest wish to see everyone benefit from the mine's life-cycle.

**Come and visit our show stall where you will see some of our work including mining, processing, rehabilitation and final landform construction.**

**You can also chat with members of the Kanmantoo Callington Community Consultative Committee (KCCCC) about the work they are doing on master planning for a future after mining has finished.**

Hillgrove is a proud supporter of local clubs and events including the local Landcare Group, Bremer Callington Cricket Club, Bridgewater Callington Raiders Football Club, Callington Christmas Pageant and the Kanmantoo Christmas Wheelbarrow Raffle.

We are the biggest single employer in our region and 80% of our workforce at the Kanmantoo Copper Mine is from the Kanmantoo, Callington and Adelaide Hills area. We like to work with local businesses wherever possible and have connections with more than 200 local and regional suppliers. We see this as a two-way street and are very grateful for the excellent services and support these businesses have given to Hillgrove over the past twelve months.
