President's Welcome

The 2018 17th Callington Show is an event not to be missed. Some of the highlights planned are car racing simulators, the blacksmiths' shop, extreme motor cycle trials, monster truck rides, the hobby expo, S.A. gymnasts and trampolinists, sky divers and a bake off between Show personalities and local dignitaries.

This Show is known for its friendly, family activities, many of which are free. The wide range of activities means that there are many points of interest for all members of the family on the two ovals and a hall chock full of exhibits, demonstrations and things in which to be involved.

Having been awarded the Event of the Year for our 2017 show at the Rural City of Murray Bridge Australia Day Awards is a challenge for us to keep up our high standard. So hats off to our very hard working and innovative Committee who continue to strive to include new and old ideas for all ages to enjoy.

We are thankful for some things which are vital for a successful show, such as generous sponsors, exhibitors, stall holders, entertainers and of course our many volunteers who give so much time and effort so cheerfully.

Please come and enjoy what has been planned for you.

Clive Wundersitz
